TechLight

Excellent lighting for maximum precision

3 model variants

Easy operation

Made in Germany

Functionality and design that inspire

The innovative SCHWEIZER TechLight LED lamp series has been specially developed for a wide variety of workplace applications and features numerous impressive

details. Sophisticated technology, durability thanks to selected materials, and an elegant design with elaborate functionality: Made in Germany.

Design

- 3 different product versions for different applications
- No disturbing glare thanks to matte black housing
- Easy-care, durable plastic surface
- Elegant, timeless design

Functionality

- Single-handed operation of the central keypad
- Acoustic on/off notification
- Flexible lamp positioning minimizes glare and ensures precise illumination
- Optimal user-friendliness thanks to large, smooth-action locking levers
- Lamp head can be swiveled in all directions and pulled down to the tabletop
- Can be folded to save space and for mobile use

Technology

- Very low energy consumption and high performance due to the use of 14 long-life LEDs
- 2 brightness levels (100% and 70%) for ideal lighting conditions
- Cool white and neutral white LEDs ensure high-contrast illumination
- SCHWEIZER in-house repair service
